Description

GIVI E349 Rear Plate is a bike-specific plate to fit a Piaggio Beverly 125ie and 300ie. The plate takes GIVI Monolock top boxes only. The plate is strong, functional, and well-tested. All parts needed to mount the Givi E349 Rear Plate are included. Installs quickly using simple hand tools. No welding or cutting of existing frame or body parts required. Maximum load allowed is 3kg. The GIVI E349 rear plate kit does not include a Monolock base plate, use the universal Monolock base plate which comes with the Monolock top box of your choice.
