Description

This 52 liter matte black top case comes with a pre-installed E97 LED stop light kit and can readily hold two full face helmets. The innovative and unique opening/detaching system can be operated with one hand only (opening by pushing with one finger, even when wearing gloves, and detachment with the mere rotation of the key and the pressure of the red button) guarantees the maximum in practicality and ease of use. Sold separately, additional accessories are available including a brake light kit to improve visibility, an inner bag allowing quick removal of your goods, a top case rack to provide more packing options and a back pad to increase passenger comfort.
