Description

The "LUXA" version of this 55 liter matte black top case comes complete with the E113S remote entry kit and E112 LED brake light kit...pre-installed! It also offers the new, incredibly smooth press button opening and handle release feature as well as many refined components making it a popular choice amongst motorcycle enthusiasts. It can easily hold two full face helmets, a backpack, a laptop or briefcase if needed. As always, it can be locked, unlocked, opened and removed from the bike using a single key. Sold separately, additional accessories are available including painted lid panels to add some character, an inner liner for extra protection of your belongings, a top case rack to provide more packing options, an inner bag allowing quick removal of your goods and a back pad to increase passenger comfort.
