Description

The PL1111CAM side case hardware is a bike-specific 18 mm diameter tubular pannier holder designed to fit the Honda NC700X ('12 > '14). This side case holder is only compatible with the Trekker Outback cases. This fitment solution **WILL NOT** work with Monokey cases, the V35 and V35 Tech Monokey-Side cases or the Easylock saddlebags. All parts needed to mount the side case holder are included and it installs using simple hand tools. Installation requires either the 1111FZ Monorack or the 1111KIT.
