### Description

The PL1111 side case hardware is a bike-specific tubular pannier holder designed to fit the Honda NC700X ('12 > '14). This side case holder is compatible with all case models in the Monokey range. This fitment solution **WILL NOT** work with the V35 and V35 Tech Monokey-Side cases or the Trekker Outback Monokey-Cam side cases. All parts needed to mount the side case holder are included and it installs using simple hand tools. Installation requires either the 1111FZ Monorack or the 1111KIT.
