Description

The PL690 side case hardware is a bike-specific tubular pannier holder designed to fit the BMW F650GS ('08 > '13) and the BMW F800GS ('08 > '14). This side case holder is compatible with all case models in the Monokey range. This fitment solution **WILL NOT** work with the V35 and V35 Tech Monokey-Side cases or the Trekker Outback Monokey-Cam side cases. All parts needed to mount the side case holder are included and it installs using simple hand tools. Installation requires the previous installation of the E194 top case hardware and is not compatible with either the SR5107 or the SRA5103.
